Whistleblowing: Subversion or Corporate Citizenship?

By Gerald Vinten

SAGE Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Whistleblowing: Subversion or Corporate Citizenship?, Gerald Vinten, Whistleblowing - informing on illegal and unethical practices in the workplace - is becoming increasingly common as staff speak out about their ethical concerns at work. It can have tragic consequences to the individual, as well as threatening the survival of the organization. It is, therefore, an issue of interest to managers, students of business and management, and employees. This book aims to provide a balanced approach to a topic which generates much emotion, concern and debate, through critical contributions from academics, lawyers, and especially from the whistleblowers themselves. A United States perspective is also included, since whistleblowers are protected by statute there under certain circumstances. A possible Code of Practice and agreed procedures, including arbitration, are recommended as a means of taking the sting out of an activity which generally leaves bruises, if not fatalities, on both sides. A continuum from valid to invalid is suggested for both whistleblowers and for the employer response. The book is divided into three parts. The first explains what whistleblowing is and outlines the major issues with many real life examples. It shows that whistleblowing could impact on...

Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Aliya Franecki

I just started off looking over this ebook. It is actually loaded with wisdom and knowledge Its been developed in an remarkably simple way in fact it is simply after i finished reading through this book where basically modified me, modify the way i believe.
