Joseph thinks he is too broken to take care of a mate, with or without his twin s help. Held captive and tortured, Joe thought he d lost the human side of himself. Nessa wants to believe Jess and Joe truly care for her, but pledging herself to two men, let alone wolf shifters, seems a little like jumping out of the frying pan into the fire. Having survived years of abuse from her step-brother, Nessa hesitates to trade one familiar situation for another one she knows nothing about. Can she overcome her fears of inadequacy and the unknown to help Joe learn to trust himself and his ability to control his wolf, or will she turn away from the two men who open up a world of love and acceptance she s never felt before? Note: There is no sexual relationship or touching for titillation between or among siblings. ** A Siren Erotic Romance.
