THE INTERNET GUY- BY. L.J.MORA (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is a true story. It is a story of how I met my husband on the internet. My son once said that writing a true story is hard, and he was right. Because it always hits home. When I write fiction, my books always have happy endings. Not all stories have happy endings. This one, unfortunately, does not. The story continues in my next book- Nightmare City.
