

Bridge Between Music, Art & Architecture

By Owen Waldschlagel, Hye Jeong Park

E. L. Foster Publishing Inc. Paperback. Book Condition: new. BRAND NEW, Bridge Between Music, Art & Architecture, Owen Waldschlagel, Hye Jeong Park, The nature of beginning is to connect. The result of connecting intellectually or physically is some form of development. This publication describes a life of connections involving the natural physical world with music and art. The stimulations of the progressive effects among the three brought forth the logical steps of architecture and self sustaining vocation. It begins with a young boy exploring and interacting with nature. His family and society allow his abilities and imagination to develop and flourish. The freedom of seizing opportunities and fates adventures allow his various talents to expand. Geography and the ocean become an integral part of his existence as he becomes a man. He often believes as he travels in solitude over land and sea toward his destiny that he exists in another time, perhaps hundreds of years earlier. As a young adult he reconstructs a sailing vessel that he found under the Brooklyn Bridge, in NYC. The sailboat is capable of ocean voyages. He sails and discovers interesting attributes combining the muses of natural science with those of music and philosophy...
