Backed by intense research and interview from noted film-maker and defense witness for Michael Jackson Larry Nimmer who also wrote this about the book. You ve done excellent research and there were some things that I learned that I didn t know. It was interesting what you had to say about the accusers and about his dad, Joe Jackson. I liked your comparison that Americans will sleep with animals in their bed but they are not accused of bestiality. good comparison. You ve presented a convincing story about people who fabricated stories for personal gain, including the media, at the expense of Michael Jackson. great job and very interesting. Larry Nimmer.
