

Scenes of Childhood (Paperback)

By Sylvia Townsend Warner

FABER FABER, United Kingdom, 2011. Paperback. Condition: New. Main. Language: English . Brand New Book. In the course of her brilliant career Sylvia Townsend Warner wrote superbly in many and diverse forms but never penned a memoir, properly speaking. However, from the 1930s to the 1970s she did contribute a series of short reminiscences to the New Yorker. Scenes of Childhood collects and orders those reminiscences, thus forming a volume that reads as a joyous, wry and moving testament to the experience of being alive. The collection evokes a recognisably English world of nannies, butlers, pet podles, public schools, good works and country churches, but the resonances of these stories are universal - funny and touching by turns.

Reviews

It is one of the best publications. It is definitely simplistic but exciting in the 50% of the ebook. I am very happy to let you know that this is basically the greatest publication I have ever gone through within my own existence and could be the greatest pdf for ever.

A must-buy book if you need to add benefit. It really is written in easy terms instead of difficult to understand. I found out this ebook from my dad and I advised this publication to find out.
