Pearson Education Limited, United Kingdom, 2013. Paperback. Condition: New. 10th edition. Language: N/A. Brand New Book. Continuing Attention to Enduring Issues in Psychology Understanding Psychology, 10th edition highlights the enduring issues that cut across and unite all subfields of psychology- Person-Situation, Nature-Nurture, Stability-Change, Diversity-Universality, and Mind-Body- to show students the surprising unity and coherence of the diverse and exciting science of psychology. This 14-chapter program presents a scientific, accurate, and current overview of the fundamental concepts of psychology in a clear and accessible language, with significant emphasis on applications of psychology. It is current without being trendy. A better teaching and learning experienceThis program will provide a better teaching and learning experience- for you and your students. Here s how:Personalize Learning - The new MyPsychLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. Improve Critical Thinking - Five enduring themes are woven throughout the text to help students connect ideas across chapters, while critical thinking questions within chapters push students to a deeper understanding of the material. Engage Students - Applying Psychology exercises in each chapter allow students to connect what they have learned to real-life problems and situations, such as how to use the principles of psychology to tackle environmental conservation. Explore Research - This introductory book references relevant research reflecting how psychology is both rapidly evolving and remaining the same. Using the Experiment s Tool in the new MyPsychLab, students participate in classic experiment simulations to experience the research process firsthand. Support Instructors - This book is supported by Pearson s unrivaled instructor resources for introductory psychology, including the new 17 episode MyPsychLab video series, an expansive class-tested Test Bank, interactive PowerPoints,...
