O'Reilly Media, Inc, USA, United States, 2005. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. Windows XP Home Edition offers dozens of new features for consumers: an elegant user interface, drag-and-drop CD burning, and powerful ways to view and manage digital photos and music, among other features. With the release of Service Pack 2 (SP2), Windows XP now provides better protection against viruses, worms, and malicious hackers. But it still comes without a single page of printed instructions. For the height of manageability and control, the book also conveys all the need-to-know information about the security technologies featured in Windows XP SP2, so you can better defend yourself against viruses, worms, and hackers.
