### ***Reviews***

*It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Headline Publishing Group. Paperback. Book Condition: new. BRAND NEW, A Fine Place for Death, Ann Granger, In the heart of the leafy Cotswolds a body is found. A teenage girl, probably local, somebody's daughter who went out one evening and didn't come back. It is not long before she is identified: fifteen-year-old Lynne Wills who habitually drank underage in 'The Silver Bells' pub and, one the night of her death, was seen leaving with an unknown man. Chief Inspector Markby's friend Meredith Mitchell has been befriended by another troubled young local girl, Katie Conway. On the surface Lynne and Katie have nothing in common except their age and home town. But could the insights Katie gives Meredith into her difficult family background - an unstable, aristocratic mother, a doting father at the end of his tether, and a scheming resident secretary - throw some light on the other young girl? And, given that forensic evidence now points to Lynne Wills's murder having taken place in the Devaux family mausoleum, on her murder too .?.
