

Tap the Magic Tree (Hardback)

Filesize: 3.49 MB

Reviews

A top quality publication along with the typeface utilized was intriguing to read through. It is amongst the most awesome pdf i have got read through. Its been developed in an remarkably straightforward way and it is only right after i finished reading this publication in which actually altered me, modify the way i believe.

TAP THE MAGIC TREE (HARDBACK)

HarperCollins Publishers Inc, United States, 2013. Hardback. Condition: New. Christie Matheson (illustrator). Language: English . Brand New Book. The acclaimed interactive picture book about the changing seasons. Like Herve Tullet's Press Here, Matheson's Tap the Magic Tree proves you don't need apps for interactivity, praised the New York Times. Every book needs you to turn the pages. But not every book needs you to tap it, shake it, jiggle it, or even blow it a kiss. Innovative and timeless, Tap the Magic Tree asks you to help one lonely tree change with the seasons. Now that's interactive-and magical! It begins with a bare brown tree. But tap that tree, turn the page, and one bright green leaf has sprouted! Tap again-one, two, three, four-and four more leaves have grown on the next page. Pat, clap, wiggle, jiggle, and see blossoms bloom, apples grow, and the leaves swirl away with the autumn breeze. The collage-and-watercolor art evokes the bright simplicity of Lois Ehlert and Eric Carle and the interactive concept will delight fans of Pat the Bunny. Combining a playful spirit and a sense of wonder about nature, Christie Matheson has created a new modern classic that is a winner in every season-and every story time! And don't miss the follow-up, Touch the Brightest Star!.
