Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.A story that will have all family members talking about the moralities learned in love, hate, loss, forgiveness, and bitterness. MAGGIE is a humble young elementary teacher and the only child of a multi-millionaire businessman. Her efforts to be with her dying father become problematic as her jealous and deranged stepmother, Jennifer, plans deadly schemes against her. Maggie finds support through unsuspected friendships and a love interest. Yet, the noxious situations and acts against her, distort Maggie's quest to follow her father's advice to be Never Bitter. The story is part fable and modern reality, that weaves wealth, danger, betrayal, and fantasy into a richly satisfying tale, all framed with original songs.
