Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Book two in the USA Today best-selling series, Dragons of Eternity As a half-breed dragon, Torque never had the luxury of choosing his future. Not only did his father barter him to the highest bidder, but a rare Shinto fey claimed to see him in a vision that involved recovering a lost treasure for the powerful dragon Synge - a destiny that might have been bearable if the vision hadn't included a mating with Rya, Synge's half-breed daughter. Who could blame him for being resigned to rather than thrilled with his fate? Rya has had enough of being treated like an unwanted burden by her betrothed. So when she learns her mother is missing, she doesn't hesitate to leave the harem to try to find her. The last thing she expects is Torque tracking her down. Or the explosive chemistry that ignites between them. Now they must work together to discover the dark threat that not only traps her mother but has the potential to spread evil throughout the world.
