## ESTHETICS IN PEDIATRIC DENTISTRY

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Pediatric esthetic dentistry is a branch that deals with the maintenance and enhancement of the beauty of the mouth of infants and children through adolescence, including those with special health care needs. Esthetic dentistry can provide a beautiful smile that parents and their children always desire. Operator preference, esthetic demands by parents, the child's behaviour, and isolation are the variables which affect the decision and ultimate outcome of whatever restorative treatment option is...
