## 50 RULES KIDS WON T LEARN IN SCHOOL (HARDBACK)

[DOWNLOAD](#)

St. Martin s Press, United States, 2007. Hardback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. Charles J. Sykes offers fifty life lessons not included in the self-esteem-laden, reality-light curriculum of most schools. Here are truths about what kids will encounter in the world post-schooling, and ideas for how parents can reclaim lost ground---not with pep talks and touchy-feely negotiations, but with honesty and respect. Sykes s rules are frank, funny, and tough minded, including: #1 Life is not fair. Get used to it. #7 If you think your teacher is tough, wait until you get a boss. He doesn t have tenure, so he tends to be a bit edgier. When you screw up, he s not going to ask you how you FEEL about it. #15 Flipping burgers is not beneath your dignity. Your grandparents had a different word for burger flipping. They called it opportunity. #42 Change the oil. #43 Don t let the success of others depress you. #48 Tell yourself the story of your life. Have a point. Each rule is explored with wise, pithy examples that parents, grandparents, and teachers can use to help children help themselves succeed---in school and out of it. A few rules kids won t learn in school: #9 Your school may have done away with winners and losers. Life hasn t. #14 Looking like a slut does not empower you. #29 Learn to deal with hypocrisy. #32 Television is not real life. #38 Look people in the eye when you meet them. #47 You are not perfect, and you don t have to be. #50 Enjoy this while you can.
