It in a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.Excerpt from The Missionary Report and Minutes of the Eighth Session of the Louisiana Annual Conference of the Methodist Episcopal Church South: Held in Mansfield, La., Wednesday, December 14-22, 1853 Another year of labor has tested the value of the present system of preaching upon plantations. The results in members converted seem disproportionate to the labors expended. This brings in review the obstacles to successful preaching which the missionary encounters at every step in his round. First, the preaching-place - whether it is the sugar house, some vacant quarter, the cooper's shop or half-out-of-doors in the hall of a double log cabin, intact any place not otherwise occupied, where room can be made in a hurry by piling the rubbish all around and leaving a bare spot in the center, for the congregation. Which would all be ample enough in a time of persecution to a church glad to catch the Gospel as they might; but to the negro, in a time of profound peace, who has all his notions of religion laid in some old Virginny meeting-house, with its regular altar and pulpit and gallery, such an extemporising a house of God out of every-day materials seems no doubt a violent unfitness to the gospel - old wine in new bottles.
