Trafford Publishing, Canada, 2011. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The apostles asked Jesus to teach them how to pray like John had taught his disciples. We all think we know already how to pray; therefore, teaching about prayer is not necessary. Everyone knows how to pray! Why would there still be a need to teach us how to pray? Well, there is indeed a need to be instructed how to. Prayer seems a simple thing to do, but actually, it is one of the most complex things to do. It is a science. If we are not aware of the laws of prayer, God does not answer, nothing happens, and all become quite complicated. The capacity to pray along with knowledge is what we have that is most precious. You may not have a vast knowledge, you may not know all the secrets of the Bible; however, there is at least one thing that you can do, and that is to pray. Now if prayer is the first gift you have received, then take precious care of this gift. You must take good care of it because it has the capacity to save you in times of trouble. This book will change your approach toward prayer and will introduce you in an era of answered prayers like never before if you apply these instructions. In this book, you will realize how heaven can be so near to us. A book for all the lovers of prayer!.
