Killer B s and Worker B s: Survive or Thrive? (Paperback)

By Alan Hedman

260 Productions, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Is there more to life than just surviving? Is life getting in the way of us living out our passion or dream? Killer B s Worker B s--Survive or Thrive? offers us the opportunity to see how the tyranny of Killer B beliefs and behaviors keeps us focused on immediate, urgent, pressing matters which prevent us from thriving--living our dream. Alan Hedman combines his expertise in the science of thriving with extensive first hand experience working with nonprofits, educational organizations and CEOs to present a book that can help us thrive in all aspects of our lives. Living life is not the same as living life well, and Killer B s are the main source of the problem. These predominately good forces allow us to survive while destroying the possibility of living our dream. The result, in the words of Henry David Thoreau, is that most people live lives of quiet desperation and go to the grave with the song still in them. Hedman guides us through the process of identifying and neutralizing the Killer B s. If we have fuzzy priorities,...
