SCRIBBLE SCRABBLE WRITING JOURNAL FOR KIDS: A BOOK OF WHAT IFS

Etosha Publications, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.The Scribble Scrabble Writing Journal for Kids: A Book of What Ifs is the second workbook in the children s creative writing series. Our journals use simple questions and prompts, called story-starters, to motivate children to write. Young authors are asked to write about what life would be like living in a tree or a submarine; to be the youngest astronaut to travel in space; to have human vegetables as neighbors, and much, much more. Children can create stories they may not have thought of in ways they may not have imagined. In Scribble Scrabble Writing Journals you get writing exercises appropriate for children ages 8 and up, grades 3-5; 20 story-starters that end with Think About It! Write About It! for extra motivation; illustrations that relate to each prompt, including some that can be colored in for added creativity; and extra pages so children can write as much or as little as they want. Scribble Scrabble Writing Journal for Kids books blend well with language arts curriculum, and are great activity books to start or end the school day in traditional and home school settings.
