

Critical Care Nursing: Learning from Practice

By Kate Brown, Suzanne Bench

John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, Critical Care Nursing: Learning from Practice, Kate Brown, Suzanne Bench, Critical Care Nursing: Learning from Practice takes a unique approach to critical care. Based around case scenarios that have the patient as the central focus, each chapter is constructed around an example of a critically ill patient with specific care needs. The chapters then go on to critically explore the knowledge and skills required to deliver expert care. This book looks at a range of critical care scenarios, including: The patient with acute lung injury The patient with fever The patient with an acute kidney injury The patient with long term needs The patient with increased intra-abdominal pressure The Patient following cardiac surgery Each chapter develops knowledge of the related physiology/pathophysiology, appropriate nursing interventions that are research/evidence based, technical skills, data interpretation and critical appraisal skills, enabling the reader to apply fundamental knowledge to more complex patient problems. Critical Care Nursing: Learning from Practice is an essential resource for practitioners faced with complex and challenging patient cases.

Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who stante that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).
