Excerpt from The Philosophy of the History of the Louisiana Purchase Etyz - Less than a half century has passed since Iowa was one grand landscape of ?owers, interspersed with a mere selvage of forests, diversified with beautiful streams of water, occupied by roaming tribes of Indians, and the wild beasts from which they drew their suste nance. Today, Iowa is the granary of America, the very first in the rank of producers, growing a larger combined amount of the cereals than any other State in the Union, excepting only Illinois, which was admitted as a State in the Union, while Iowa was yet a compara tively unexplored wilderness.
