ADVANTAGE MEDIA GROUP, 2017. Hardback. Condition: New. Language: English . Brand New Book. So many businesses today focus on maximizing profits. In their pursuit of dollars and cents, they sacrifice employee happiness and customer satisfaction. In the end, these companies wither away. Andrew Limouris believes that giving people a true purpose--something other than financial gain--leads to accomplishment, ultimately improving the company's bottom line in the process. **Won with Purpose** showcases Andrew's attempts as the leader of a national staffing company and youth football coach to cultivate a deeper purpose within his teams. He's delivered incredible results by doing so: satisfied employees, increased revenue, and unified teamwork. This book proves that success and purpose go hand in hand. Focusing on a deeper meaning to work brings true success to every individual and team.
