# Electrolytic Medication (Ionization): Theory Technique and Clinical Application (Classic Reprint) (Paperback)

Filesize: 3.45 MB

Reviews

This publication is wonderful. It is amongst the most remarkable pdf i have got read. Its been written in an exceptionally basic way and it is merely after i finished reading through this pdf in which really transformed me, alter the way i really believe.
(Shayne Schneider)

ELECTROLYTIC MEDICATION (IONIZATION): THEORY TECHNIQUE AND CLINICAL APPLICATION (CLASSIC REPRINT) (PAPERBACK)

DOWNLOAD PDF

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Electrolytic Medication (Ionization): Theory Technique and Clinical Application This little treatise is presented to the dental profession not as a textbook but as a concise explanation of electrolytic medication or ionization, a therapeutic agent which is proving very successful in the hands of many practitioners in dentistry and medicine. We take pleasure in acknowledging the courtesy and help we received in the preparation of this book by members of the dental profession, and desire to mention especially Dr. George T. Fette, Cincinnati, O., and Dr. Albert E. Sager, Rochester, N. Y. We have also quoted liberally from the writings of Dr. Ernest Sturridge, London, England, and Dr. Hermann Prinz, Philadelphia, Pa., whose knowledge of the subject and useful suggestions we gratefully recognize. Without the assistance and experience of the actual practitioner a work of this character would be of little value. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
