By Russell Sturgis

Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Artist s Way of Working in the Various Handicrafts and Arts of Design, Vol. 1 Artistic purpose. Suppose that we were to try to analyze the speech of a ?uent talker, who has also knowledge and ideas, and who is engaged for the moment with some serious subject: The mind of that talker is at the same time producing thoughts from his store of memories and of impressions, and drawing conclusions from those memo ries and impressions; it determines at the same moment the action of the organs of speech in producing certain sounds], and still, at the same moment, it is preparing the thoughts which are to follow, and almost the words in the next sentence or clause. Try to explain to the satis faction of a person who cannot speak nor hear, but who can read writing understandingly, how the mental proc esses and the vocal organs work together in producing intelligible and intelligent speech, and then you may go on to explain just how the mental processes and the hand holding the tool work together...
