## The Anthropology of Dance (Paperback)

By Anya Peterson Royce

Dance Books Ltd, United Kingdom, 2015. Paperback. Condition: New. New edition. Language: English . Brand New Book. Dance is a powerful, frequently adopted symbol of the way people feel about themselves. So concludes the author of this book, a general introduction to the anthropology of dance. Since anthropology has broadened its horizons to include Western, industrialised and urban societies, the study of dance culture may, with equal legitimacy, observe ballet, the Hawaiian hula, the classical tradition of Bharata Natyam, the pigeon wings and polkas of the Californian gold rush miners, and the minuets of colonial Virginia planters. Dance makes its unique contribution to society and culture by virtue of its form and expression; at the same time it is intimately bound up with elements of religion, kinship and social organisation, politics and economics. The fact that dance is inseparable from its means of expression - the human body making patterns in time and space - means that it cannot be divorced from its social and cultural context. The author first explores the various meanings that dance has had over time for different peoples. Next she focuses on the place that dance has occupied in anthropological studies over the past one...

### Reviews

*A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. Its been designed in an extremely basic way which is merely right after i finished reading through this publication where basically altered me, change the way i believe.*

-- **Kitty Crooks**

*I actually started reading this article publication. We have read and that i am confident that i am going to planning to study yet again once again later on. You can expect to like how the author compose this pdf.*
