iUniverse, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. velo52 is a unique and unusual devotional book, co-authored by fourteen young ladies which includes Kristie McCrary, the gifted, anointed leader of the group. These girls could have selected most any vocation and experienced success. Their upbringing, schooling, and exposure to quality friends were par excellence, first rate, tip-top, and worthy of praise. We re told that we become like the five people with whom we spend the most time. That being the case, these fourteen young ladies have it made! Kristie lives on the twelfth floor of a high-rise building with every protection and security afforded to her. Yet she is not able to isolate her dedicated cohorts from the heart-rending vicissitudes of life. Each one will no doubt need to be prepared and have a spiritual game-plan to meet betrayal, sickness, death, wrong decisions, separation, and a catalogue of other ways Satan will use to come against them. velo52 will give the testimony of these above-average young ladies. You can be a winner by reading this book. Like my late husband, Gordon, told our only daughter, Carole, (Shira in Hebrew), when she was young, Learn from the mistakes of others. You won t live long enough to make them all yourself. Freda Lindsay Co-founder, Christ For The Nations Inc., Dallas, Texas.
