FORGE, 2015. Hardback. Condition: New. Language: English . Brand New Book. Bruce DeSilva s A Scourge of Vipers is at once a suspenseful crime story and a serious exploration of the hypocrisy surrounding sports gambling and the corrupting influence of big money on politics. To solve Rhode Island s budget crisis, the state s colorful governor, Attila the Nun, wants to legalize sports gambling; but her plan has unexpected consequences. Organized crime, professional sports leagues, and others who have a lot to lose--or gain--if gambling is made legal flood the state with money to buy the votes of state legislators. Liam Mulligan, investigative reporter for The Providence Dispatch, wants to investigate, but his bottom-feeding corporate bosses at the dying newspaper have no interest in serious reporting. So Mulligan goes rogue, digging into the story on his own time. When a powerful state legislator turns up dead, an out-of-state bag man gets shot, and his cash-stuffed briefcase goes missing, Mulligan finds himself the target of shadowy forces who seek to derail his investigation by destroying his career, his reputation, and perhaps even his life.
