Reviews

It is one of my personal favorite books. It is one of the most incredible ebooks I have ever read. You will not feel monotony at any moment of your own time (that's what catalogues are for relating to if you ask me).

Harpercollins, 2009. Taschenbuch. Book Condition: Neu. Neu Neuware, Importqualität, auf Lager, Versand per Büchersendung - When Coraline steps through a door in her familys new house, she finds another house, strangely similar to her own (only better). At first, things seem marvelous. The food is better than at home, and the toy box is filled with fluttering wind-up angels and dinosaur skulls that crawl and rattle their teeth. But theres another mother there and another father, and they want her to stay and be their little girl. They want to change her and never let her go. Coraline will have to fight with all her wits and all the tools she can find if she is to save herself and return to her ordinary life. This beloved tale has now become a visual feast. Acclaimed artist P. Craig Russell brings Neil Gaimans enchanting nationally best-selling childrens book Coraline to new life in the paperback edition of this gorgeously illustrated graphic novel adaptation. 192 pp. Englisch.
