

Manual of Homoeopathic Theory and Practice: Designed for the Use of Physicians and Families (Classic Reprint) (Paperback)

By Arthur Lutze

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Manual of Homoeopathic Theory and Practice: Designed for the Use of Physicians and Families Any two remedies may be combined, if highly potentized, even antidotes. Experience shows that, if two antidotes are indicated in a case, they produce striking effects, if given in combination. The explanation of this phenomenon is not difficult. I suppose that the process of mixing does not apply to higher potencies, but that the two may assist each other in their mutual effects; but even this fact does not extend to antidotes which repel each other, and each of which pursues its own action to the end of the cure. This important discovery of the combination of drugs was first announced twenty-four years ago, by Doctor Julius Aegidi, at that time physician to the Princess Frederica of Prussia, and now medical counsellor. This discovery was communicated to Hahnemann in the year 1883, corroborated by two hundred and thirty-three cures with combined remedies, and was joyfully received by Hahnemann, but kept secret from the public by the imbecility of the fees of truth, whereas the...

Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Mrs. Josiane Collins

Totally among the best publication I actually have actually go through. It can be filled with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Glen Ernser
