Penguin Putnam Inc, United States, 2008. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The multiple award-winning fantasy author of The Fionavar Tapestry brings his extraordinary imagination to a tale of mythic figures in contemporary times. Ned Marriner is in France with his father, a celebrated photographer shooting the Saint-Sauveur Cathedral of Aix-en-Provence. While exploring the cathedral, Ned meets Kate, an American exchange student with a deep knowledge of the area s history. But even Kate is at a loss when she and Ned surprise a scar-faced stranger, wearing a leather jacket and carrying a knife. I think you ought to go now, he tells them. You have blundered into a corner of a very old story. In this ancient place, where the borders between the living and the long-dead are thin, Ned and his family are about to be drawn into a haunted story, as mythic figures from conflicts of long ago erupt into the present, changing--and claiming--lives.
