THE LOST JEWELS OF HERA

World Castle Publishing. Paperback. Condition: New. 314 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. Tenacious and tough as nails, archeologist, Kindra Ceres has just unearthed the one clue linking her life's work with an unknown destiny. The Lost Jewels of Hera, an ancient necklace of immeasurable power, exists and not just in legend. The ancient legend states Hera, Queen of the Gods, destroyed the necklace in a fit of jealous rage, and only the Guardian of the stones can restore them to power. Kindra is the key, but her past life is but a distant memory. This presents a challenge for two men determined to protect her: Aiden Flint, a lover Kindra doesn't remember from her ancient past, and Ryan Colburn, assigned to guard her by Zeus, the King of Gods, himself. Kindra is caught between the one man who stole her heart, and the other predestined to win it. Cyrus Hayden, a demon sent by Hades, God of the Underworld, will stop at nothing to steal the stones and plague Kindra's journey with ruthless and terrifying danger. Kindra must discover enough about her past to find and restore the stones to power to stop Hades from destroying the Earth she's destined to protect. Will destiny or sheer will determine the fate of Kindra and her companions? Will she choose or will the gods choose for her? This item ships from multiple locations.
