National Science Teachers Association, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. This lively book proves that an animal can do all kinds of things! It encourages children to notice the characteristics and behaviour of a world of different creatures: from gnawing, swimming beavers to spinning, climbing spiders to hopping, baby-toting kangaroos. What Can an Animal Do? is a lively introduction to observing, comparing, and describing-all things budding scientists can do, too. What Can an Animal Do? is part of the I Wonder Why book series, written to ignite the curiosity of children in Grades K-3 while encouraging them to become avid readers. These books explore the marvels of animals, plants, and other phenomena related to science and nature. Included in each edition is a Parent/Teacher Handbook with coordinating activities. The I Wonder Why series is written by an award-winning science educator and published by NSTA Kids, a division of NSTA Press.
