

CRS Report for Congress: U.S.-Taiwan Relationship (Paperback)

By Shirley Ann Kan

Bibliogov, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The purpose and scope of this CRS report is to provide a succinct overview with analysis of the major issues in the U.S. policy on Taiwan. This report will be updated as warranted. Taiwan formally calls itself the sovereign Republic of China (ROC), tracing its political lineage to the ROC set up after the revolution in 1911 in China. The ROC government retreated to Taipei in 1949. The United States recognized the ROC until the end of 1978 and has maintained a nondiplomatic relationship with Taiwan after recognition of the People's Republic of China (PRC) in Beijing in 1979. The State Department claims an unofficial U.S. relationship with Taiwan, despite official contacts that include arms sales. The Taiwan Relations Act (TRA) of 1979, P.L. 96-8, has governed policy in the absence of a diplomatic relationship or a defense treaty. Other key statements that guide policy are the three U.S.-PRC Joint Communiqués of 1972, 1979, and 1982; as well as the Six Assurances of 1982. (See also CRS Report RL30341, China/Taiwan: Evolution of the One China Policy-Key Statements from Washington, Beijing, and Taipei.).

Reviews

These kinds of publication is everything and made me hunting ahead of time and more. I have got read through and i also am confident that i am going to gonna study yet again yet again later on. Its been printed in an extremely basic way in fact it is only after i finished reading this pdf in which in fact transformed me, alter the way i believe.

-- **Cristina Koepp**

Very good eBook and valuable one. This is for anyone who statte that there was not a worth reading. You will not truly feel monotony at at any time of your own time (that's what catalogs are for concerning if you question me).
