The Foundations of Evolutionary Institutional Economics: Generic Institutionalism (Hardback)

By Manuel Scholz-Wackerle

Taylor Francis Ltd, United Kingdom, 2013. Hardback. Condition: New. New. Language: English . Brand New Book. Generic institutionalism offers a new perspective on institutional economic change within an evolutionary framework. The institutional landscape shapes the social fabric and economic organization in manifold ways. The book elaborates on the ubiquity of such institutional forms with regards to their emergence, durability and exit in social agency-structure relations. Thereby institutions are considered as social learning environments changing the knowledge base of the economy along generic rule-sets in non-nomological ways from within. Specific attention is given to a theoretical structuring of the topic in ontology, heuristics and methodology. Part I introduces a generic naturalistic ontology by comparing prevalent ontological claims in evolutionary economics and preparing them for a broader pluralist and interdisciplinary discourse. Part II reconsiders these ontological claims and confronts it with prevalent heuristics, conceptualizations and projections of institutional change. In this respect the book revisits the institutional economic thought of Thorstein Veblen, Friedrich August von Hayek, Joseph Alois Schumpeter and Pierre Bourdieu. A synthesis is suggested in an application of the generic rule-based approach. Part III discusses the implementation of rule-based bottom-up models of institutional change and provides a basic prototype agent-based...
