This easy to use almanac has purposely been written for people of all age brackets, sexes, professionals and nonprofessional alike, and for people from all walks of life seeking a simple easy to use a planetary organizer. Compiled by Scott Rauvers, the Founder of the Solar Institute and author of 3 personal success achievement books covering Remote Viewing, Qi Gong and the path to Intuitive Wealth, this simple and unique almanac gives you the 21st century tools necessary for achieving personal and business success in the new millennium. This edition includes daylight savings hours, the major U.S. public holidays and the date each season begins. The included day planner gives you enough space to write in information for meetings, activities and other vital information. Included is a complete Moon Void of Course Calendar with the dates the constellation is in each house, Planetary transits for 2017 and a 2017 Moon and Planetary Ephemeris Calendar showing the aspects for each day of the year. The section on electional astrology helps you put important events into motion using the aspects of the moon using the aspectarian. Also included are the dates of new and full moons and the dates of super moons. No longer does the reader need to go on frustrating searches for this important information. It also shows which foods create maximum health according to season and as each new season begins, a series of recommended exercises based on the Tao can be performed that enhance the immune system, restore energy and detox the body to maintain excellent physical health. The information in the included ephemeris sets higher standards for simplicity and accuracy for contemporary Taoist and Chinese 12 earthly branches...
