AUTHORHOUSE, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Authentic Spiritual Leadership model encourages development of leaders who demonstrate a combination of authentic and spiritual leadership behaviors. This book has practical implications for leaders and organizations interested in confronting the current crisis in leadership regarding leadership ethics and leadership accountability. Diverse organizations require leaders who actually demonstrate how this unique approach contributes to a renewed focus on the well-being of people, psychological well-being, ethical well-being, sense of purpose, meaning, calling, and spiritual, moral, authentic, transparent and socially responsible behaviors. Organizations seeking to provide spiritual leadership development training could incorporate spiritual leadership into the design. But combining spiritual, authentic, ethical, and transformational leadership models into the training would also determine if other leadership styles exist within the organizational framework. Additional value should include study of spiritual leadership in one of the fastest-growing and sustainable corporations in the twenty-first century: The Mega Church. This book encourages development of a mega church corporate model as the new organizational form that includes authentic spiritual leadership and other leadership styles. The mega church is the new corporation of the twenty-first century, challenging leaders to join what Scharmer (2009) describes as a cultural-spiritual shift toward the rise of a new consciousness in models of leadership.
