

The Synergist: How to Lead Your Team to Predictable Success

Filesize: 5 MB

Reviews

Merely no phrases to spell out. I am quite late in start reading this one, but better then never. Your way of life period is going to be enhance once you complete reading this publication.

(Joanie Hamill I)

THE SYNERGIST: HOW TO LEAD YOUR TEAM TO PREDICTABLE SUCCESS

Palgrave Macmillan Trade. Hardcover. Condition: New. 272 pages. Dimensions: 9.3in. x 6.0in. x 1.3in. Why do so many teams fail to perform - achieving compromise at best and gridlock at worst And what does it take to end this gridlock Wall Street Journal bestselling author and speaker Les McKeown shows how to take any team from gridlock to world class success. In his new book, McKeown argues that every successful team includes a critical player, the Synergist, who can take the three existing types - The bold dreamers (Visionaries), the pragmatic realists (Operators), and the systems designers (Processors) - and knit them together into a dynamic, well-rounded team. Most importantly, according to McKeown, the Synergist is a role that anyone can learn. While most attempts at teamwork improvement deal only with the symptoms of group dysfunction such as distrust, poor communication, and fear of change, McKeown address the root cause: the innately unstable Visionary-Operator-Processor triangle. Because each of the three styles motivations, views, and goals are incompatible, without a Synergist every team will eventually implode, stall, or underperform. Only the Synergist can put aside their own agenda and interpret the language of difficult personalities, capture the best from each person, and put the good of the enterprise ahead of their own ego. McKeown- who has used techniques presented here in his consulting with Harvard University, American Express Financial Services, the US Army, Pella Corporation, Microsoft, United Technologies Corporation, and more- shows how any individual can fill this critical role, whether or not theyre the formal leader of the group. With thought-provoking self-assessments and an extensive Synergist Toolkit, he teaches how anyone can learn to be an effective Synergist by recognizing the vital signs of ineffective teamwork and making the right interventions at these pivotal moments. This item ships from multiple locations....
