Createspace, United States, 2015. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. A delightful introduction to the nature and physics of waves and how waves affect everyday life. This book, originally published in 1902, is written for the young and the young at heart. The explanations, are clear and the mathematics at the level of Intermediate Algebra. The illustrations, while limited by publishing technology available in 1902, are clear and easily understood. This is not a blurry copy of the original classic, but is completely transcribed, typeset and printed on quality paper.
