BISON

Reaktion Books. Paperback. Book Condition: new. BRAND NEW, Bison, Desmond Morris, Bison once ranged across the Great Plains of North America in vast herds - early eighteenth century explorers described them as 'innumerable' - and at the beginning of the nineteenth century they numbered in the tens of millions. However, during the next century or so humans were responsible for the bison's near extinction in North America, slaughtering an estimated 50 million for their meat, pelts and fur, reducing the...
