Check with the seller before completing your purchase. This access code card provides access to the Enhanced Pearson eText. A new edition of the acclaimed, best-selling survival guide for teachers struggling to find answers to children s challenging behavior. Stressing that every child has some kind of special need, especially children with challenging behavior, this book contains numerous practical, indispensable tips for responding to those needs, building relationships with children and their families, and preventing challenging behavior. It provides teachers with background information that enables them to understand why children behave the way they do and presents several evidence-based strategies to address their challenging behavior effectively so that teachers can select those best suited to the child and the situation. Useful to education students as well as in-service teachers in pre-school, child care, and primary school, the book emphasizes the importance of the teacher...
