Reviews

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

Brand New Book ***** Print on Demand *****.Felicia Thomas has done a Awesome job with this Biography about her father: This story tells of a unique man, who most called an absolute GENIUS of his time. James Bolton / James White / Joshua / Jesus White and John Doe, were his different names depending on what city he was in. Many knew him to be this quiet, peaceable, loving, strange, smart, mental and a special kind of guy who could play just about every instrument there was, with a multiplicity of Degree s behind his name. In this book James would beat the odds that many of us wouldn t dare to even try to accomplish. Take a look at Homelessness in a different way as we feel his heart on his journey. See how this homeless man who lived homeless for over 18 years, got the nerve to get several Masters, Bachelors, Theological Degree s, Serve in the United States Military, Work a full-time job, and Run for Mayor in two different states, all while living moments of Mental Illness. Was he MENTALLY CHALLENGED OR JUST TOO SMART FOR MANY TO UNDERSTAND?Go on a Journey with me as we take a look at Homelessness in a different way. For they are NOT All Bums, Filthy, drunks, drug addicted, jobless, hopeless, needy idiots, as Many people have stereo-typed them to be. They are Human Beings, Moms, Children, Uncles, Aunts, Grandparents, and for me this WAS MY DAD. Take a Look with me, Through the Eyes of A Homeless Genius.
