The best way to discover who you truly are is to venture into the unknown alone. After denying my buccaneer parents to make a life among the noble, I quickly found that piracy ran too deep in my blood to settle as a rich man s puppet. Armed with my mother s stealth, my father s words of wisdom, and the dagger given to me by my blacksmith lover, I escaped the clutches of my abusive husband and followed forbidden dreams to become a sailor. While plundering the Atlantic with a Portuguese pirate crew, I came upon a mysterious family secret. My captain-who had his own vengeance to seek-led my crew on a daring journey to the Caribbean, where I not only solved the mystery, but while sailing, fighting, and adventuring foreign shores, I became the person I was meant to be. Knowing now what I am capable of, I will fight to the death to defend my freedom-and I will never, ever surrender. -Remington Rain Bentley-.
