Are you making the right decisions? Whether you are a business owner or corporate manager responsible for establishing and maintaining a 401(k) program or an engaged participant interested in plan design, this manual provides practical recommendations on creating and maintaining a best-in-class plan. Three retirement plan professionals help you: Understand how 401(k) plans work and the features that drive successful employee retirement outcomes. Govern your plan to limit liability and protect fiduciaries, while enhancing investment opportunities and helping employees achieve financial security. Moreover, if your organization is a 501(c)(3) not-for-profit agency, foundation, or private school, this manual is applicable in almost all respects to ERISA 403(b) plans. While maintaining a best-in-class 401(k) plan may seem daunting, you can lower costs and provide personalized retirement planning and investment advice to employees - all with minimal fiduciary risk.
