There was just time to take off their hats and cloaks before the dinner-bell rang, and all went downstairs to the dining-room, where they found only Lady Marston, Mrs. Vernon, and Mrs. Clifford, the gentlemen being out on a shooting expedition. Well, young ladies, what are your plans for this afternoon? asked Lady Marston, when luncheon was nearly over; do you mean to go out? I do not know, mamma, replied Cicely; I have not asked anybody yet what they would like to do; and then, you know, no one will ever say what they really wish--it is whatever the others choose with every one. I think the weather is likely to settle the point for you, said Mrs. Vernon, walking to the window. At this moment the snow is falling fast,...

Reviews

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

The most effective ebook I possibly go through. I am quite late in starting reading this one, but better than never. It has been designed in an extremely basic way and it is just after I finished reading this ebook by which it basically transformed me, modified the way I believe.
