By Scott Kashman

Lioncrest Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. A healthcare organization needs to be more than capable nurses and doctors, sterile operating theaters, a business office, and an emergency room. Every successful medical organization should be an optimal healing environment. This holistic, person-centered approach to the business of medicine focuses on empowering the hospital and health system s working community. It reduces stress, eliminates burnout, and increases staff resiliency, helping your team to remember why they chose to pursue a career in healthcare. When your healers thrive, your hospital will flourish. It begins with three guiding practices: 1) Patient and family-centered care 2) Financial sustainability 3) Staff health and well-being Combining these guiding practices with six practical applications, the management team and staff of Florida-based Lee Health s Cape Coral Hospital transformed a medical center into an award-winning model of healthcare and business excellence. In this book, you ll learn about Cape Coral s remarkable success story and how it can serve as a blueprint for health-service managers. Mindful Healthcare is your essential guide to organizational wellness and better business outcomes, offering a bold new paradigm for medical care.
