## INTERLUDE IN DEATH

BRILLIANCE AUDIO, 2014. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. In early spring of 2059, Lieutenant Eve Dallas is called off planet to face a grueling ordeal--giving a seminar at the largest police conference of the year, to be held in a swanky resort. A resort which just happens to be owned by her husband, Roarke, of course. Even though Eve can't quite see it that way, it's supposed to be at least partly a vacation. But work intrudes in the form of a bloody homicide, and Eve is off and running. The case is complicated by Eve's personal history with the victim--and by the killer's history with Roarke. As danger closes in and the body count rises, Eve must find a way to stop the cycle of violence and revenge, and shove the past back where it belongs.
