

Road to Medina (Paperback)

By Alaa Alghamdi

iUniverse, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Twenty-two-year-old Maryam, a Saudi woman living comfortably with her parents in Medina, is old enough to get married and old enough to get a job. She is also old enough to pursue postgraduate studies in English in Leeds in the United Kingdom-but that option fuels her dilemma. Her hesitation to study abroad stems from the fact she is a devout and traditional woman, deeply dedicated to her Muslim faith. She is initially ambivalent about leaving the world she has always known. Even so, encouraged by her mother, an academic who also studied and lived in the West, she ventures to this new place and encounters both enriching experiences and a sense of displacement. What's more, her sojourn in the West leads to a new set of decisions to be made. A story of contemporary women's fiction, Road to Medina follows Maryam from the age of twenty-two, when she is deciding to apply to study in Leeds, to her eventual return to Saudi Arabia several years later.

Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
