This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Skyhorse Publishing, United States, 2016. Hardback. Book Condition: New. Henrike Wilson (illustrator). 273 x 254 mm. Language: English . Brand New Book. A little bear is bored and has no idea what to do with himself. He tries to find a friend to play with him, but no one is around or available yet. Dejected, the little bear lays down on the ground with nothing to do but to stare at the sky or the grass. How boring! Slowly, though, as he sits still, the world begins to come alive around him and his senses are awakened. The grass and the forest around him and the sky above him seem like a very different place and the bear finds himself full of curiosity. He sees things he hasn't seen before like the shapes in the clouds and feels things he hasn't felt before like the vibration of a bird's wings. I Am So Bored! is a book about imagination, slowing down the pace of life, and the power of all five senses. Take a journey with the little bear as he realizes the beauty of life that exists in the world around him. The perfect story to help little ones wind down and to take a break from screen time. Remember: boredom can sometimes be the best way to have fun.
