JUST A TRACE OF MOON (PAPERBACK)

Pinyon Publishing, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Ken Fontenot s fourth book of poems continues the fine balance of things both practical and sublime that he developed with subtlety and flare in his previous book, In a Kingdom of Birds-poems that explore the personal as well as the grander themes of life, with music presiding. The songs of my time insist we listen attentively. / Take Fleetwood Mac. They incite, almost all melody, / which is the pie s filling, the alcohol in a mixed / drink. Images of childhood (gathering eggs, his grandfather s tractor, butchering a hog) and wildlife (hummingbirds, hyenas, lions, snakes) share meditations with figures encountered during a learned life-Beethoven, Goethe, Shakespeare, Mahler, Brahms, Bruckner, Buddha, Whitman, Melville, Aristotle. Mostly, / though, I would have wanted Boccherini s dates: / 1743-1805. Was it a great time to be alive? / Of course, the music itself seems to say so. And throughout-he weighs and balances a lifetime of choices. I wanted to have a distinct plan, yet it changed / as I changed. Even the pines were insightful. / And the cows returned to the barn in their slow way. Poets on Ken Fontenot s In a Kingdom of Birds Fontenot s keen observation and original intelligence make his poetry well worth reading and a joy to examine . southern regionalism combines with cosmopolitan sensitivity. -Harry de la Houssaye, Xavier Review For Fontenot, the act of reading is one such expression of that desire: Readers, after all, view the world most passionately- / as if their own lives were at stake. And this stellar collection of Fontenot s mature years fully persuades, by its metaphorical and imagistic thinking, that our own lives are truly at stake....
