Reviews

*The very best pdf i at any time read through. This is for all those who statte there had not been a worthy of studying. You wont sense monotony at whenever you want of your own time (that's what catalogs are for concerning when you request me).
(Fabian Kuhlman II)*

THE BICKERSTAFF-PARTRIDGE PAPERS: THE ABUSE OF ASTROLOGY (PAPERBACK)

Createspace, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Bickerstaff-Partridge Papers by Jonathan Swift Isaac Bickerstaff Esq was a pseudonym used by Jonathan Swift as part of a hoax to predict the death of then famous Almanac-maker and astrologer John Partridge. Wherein the month, and day of the month are set down, the persons named, and the great actions and events of next year particularly related, as will come to pass. Written to prevent the people of England from being farther imposed on by vulgar almanack-makers. By Isaac Bickerstaff, Esq. I have long consider d the gross abuse of astrology in this kingdom, and upon debating the matter with myself, I could not possibly lay the fault upon the art, but upon those gross impostors, who set up to be the artists. I know several learned men have contended that the whole is a cheat; that it is absurd and ridiculous to imagine, the stars can have any influence at all upon human actions, thoughts, or inclinations: And whoever has not bent his studies that way, may be excused for thinking so, when he sees in how wretched a manner that noble art is treated by a few mean illiterate traders between us and the stars; who import a yearly stock of nonsense, lyes, folly, and impertinence, which they offer to the world as genuine from the planets, tho they descend from no greater a height than their own brains.
