John Hunt Publishing, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. The world of ZEN CITY is a world of passionate desires: the desire for power, the desire for order, and the desire for self-transcendence. ZEN CITY is a story about the struggle and violence of people who see themselves as striving for the ultimate. Along the way, ZEN CITY presents a sly critique of the practice and perversions of imported spirituality in twentieth-century America.
